to **Goldhills Most Wanted** B-42449 (AI Permit # 303), during the 2010 breeding season, via Shipped Fresh cooled semen or AI. Mare owner will pay a stallion service fee of \$650, which includes the booking fee of \$200. The booking fee is payable with this contract, and reserves a breeding for said season.

This agreement is subject to the following conditions:

The stallion service fee must be paid in full prior to any semen being shipped. The stallion service fee comprises the \$200 Booking Fee and the \$450 Stud Fee.

The first collection is free (shipping not included) then each subsequent collection is \$125 plus shipping and must be paid in full prior to the collection of semen. There is no limit to the number of collections within a breeding season. The Mare Owner must provide a current FedEx account number to cover all shipments of semen. A FedEx account number can be easily setup at www.fedex.com. The Mare owner must also provide the desired "Declared Value" for the shipment.

All shipping containers must be returned to the address provided, complete with all parts, within 5 days. A shipping Container Rental Fee of \$35 is due prior to shipment for use of the Equitainer. There is a \$25 charge for use of a disposable shipping container. Please specify shipment container preference before semen is collected.

Live Foal guarantee: If the mare fails to conceive during the first breeding season, the Mare Owner may breed the same mare in the following years. A \$200 booking fee is payable for each season plus the collection and shipping costs. If a mare fails to conceive, a different mare may be substituted upon approval. Once a mare conceives, if the resulting foal is stillborn or dies before standing and nursing, the mare owner may return the same mare or a different mare to be rebred. This guarantee will apply only if notification of the foal's death plus the breeding certificate issued by the Stallion Owner is sent to the Stallion Owner by registered mail within 48 hours of the foal's death. Statements by a licensed veterinarian of the details of the foal's death must follow within 10 days or the Live Foal Guarantee becomes null and void.

The live foal guarantee is expressly contingent upon the mare owner properly caring for the pregnant mare. Proper care shall include, but shall not necessarily be limited to, proper feeding and nutrition, regular deworming with products approved for pregnant mares, vaccinations that are customary in the mare owners geographical area, and proper intervention during foaling if necessary.

The Mare Owner will be issued a valid breeding certificate for the WPCSA by the Stallion Owner when the mare is checked in foal, all paperwork has been returned, and all fees and/or expenses have been paid. A replacement fee of \$25.00 will be charged if the Mare Owner loses a breeding certificate.

The Mare Owner understands that the stallion will not be available when he is away at shows. All unavailable dates will be known at the start of the breeding season. Go to www.bridlewoodwelsh.com/shows.htm

The stallion is otherwise guaranteed to be available for breeding, barring any unforeseeable circumstance, only if the Mare Owner or his/her agent notifies the Stallion Owner no later than noon (pacific time) the day before the date when a semen specimen is required to be collected and shipped.

For the purpose of this contract, the term "breeding season" shall be defined as the period from February 1, 2010 to July 1, 2010 at which time all breeding will be discontinued until the following season. Shipments may be made after July 1st upon request, but will be subject to our availability at the time.

This contract is not assignable or transferable without written consent.

When the mare owner signs and returns this contract (and it is signed by Megan Burtness, BridleWood Welsh), it becomes a binding contract on both parties, subject to the above terms and conditions. The mare owner irrevocably agrees that his/her sole recourse against BridleWood Welsh with respect to the performance or non-performance of this contract is return of the stallion service fee, less the booking fee. Stallion services fees are not refunded unless the stallion dies or becomes unfit for service. In that eventuality, the mare owner may choose a refund of the service fee, or choose a breeding to another stallion owned by BridleWood Welsh.

The terms of this contract shall be governed by the laws of the State of California.
